## PUSH OREGON TO THE FRONT

## AN EASY WAY TO ADVERTISE THE STATE

And Tell Our Eastern Friends All About the Superior Opportuni- ties We Possess.

On April 29th last the Oregonian published a special industrial edition devoted exclusively to the exploitation of Oregon. It probably contained more special and miscellaneous information about Oregon than any one publication that has ever been issued. It is peculiarly useful and valuable to the home-seeker, because it gives the latest and most reliable information about so many different subjects that the home-seeker is naturally interested in. Almost every department of industry is specialized, and both descriptive and statistical information of a highly valuable character is given extensively, and in entertaining form.

Residents of Oregon who know its advantages as compared with the congested and depleted East, and who still have friends back there whom they would like to see here enjoying the good things of this favored state, can aid in a splendid work now without cost and very little effort. If you think your friend would be interested in knowing more about Oregon and might eventually become a valuable citizen, send his name and address to the general passenger agent of the Oregon Railway & Navigation Company, and a copy of this special edition, with a complete summary of the several subjects treated, carefully indexed, will be mailed to him promptly. In this manner you may be the means not only of doing your friend a good turn, but of helping to stimulate the growth and prosperity of Oregon.

Don't forget that commencing September 1 and continuing daily for two months, tickets will be on sale at almost every railroad station in the East to all points in Oregon and the Northwest at what has come to be popularly known as "colonist rates." These rates are the cheapest general long distance rates ever established, and enables one to reach Oregon from any part of the United States at but a trifle more than one cent a mile. They are the greatest incentive to colonization and progressive home building of any known agency, and if the restless, dissatisfied resident of the East is made to know before-hand the advantages he can enjoy here, the problem is solved, and the star of empire will continue to move steadily westward.

Now is the time to spread the gospel of Oregon, so that it may be heard and heeded by the time the rates go into effect. Send one name or two, or a dozen, and you will be exerting a worthy influence toward the upbuilding of our state. Send them to your nearest Oregon Railroad & Navigation Company agent, or to Wm. McMurray, General Passenger Agent, Portland, Oregon.

"A Drop in the Bucket."

—Harper's Weekly.

Lovers' Esperanto. Their words had ceased, yet any look- er on, Were he but scanty wise, Might see the conversation going on— Continued in their eyes.

And when their orbed dialogue was done They still could understand By using Cupid's universal code— The pressure of a hand. —Ellen Burns Sherman in Life.

## What One Enjoys.

At Otto Sund's pretty and cozy resort "The Commercial," one finds all that the inner man desires in the refreshment line and of the best quality too. To pass a little time in such a neat place and spend it in pleasant conversation with genial friends, probably a little business talk, is, to say the least, en- livening. Courteous treatment is an- other thing that is appreciated and one receives it from Otto himself who takes charge during the day and from his pleasant night manager both of whom dispense the best to be had. "The Com- mercial," 509 Commercial street, is well known and widely patronized.

## Warning.

If you have kidney and bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder dis- eases. T. F. Laurin, Owl Drug Store.
